Join me as we create a gorgeous mini album to house some great quotes and your favourite photos. In his class we go beyond the normal mini album, getting creative with stamping, painting, use of transparencies and some different styles of doodling. You'll be amazed at the result!

What you need to bring :

- Stanley knife
- pencil
- Adhesive
- Stapler
- Clear drying glue
- Small hole puncher or eyelet punch

- White gel pen and any other colours you may have

Photos:

Each page will have a quote to go along with your pics. You will be provided with the quotes, but alternatively, can bring your own to use. Your photos are supposed to , but don't have to, be in theme with your quote. So I will list below each page , the quote for that page and the size photos to go with it. This is just a guideline, so please don't feel that you have to stick to what's written here. Your photos can be colour, B&W or a mix of both.
