FREQUENTLY ASKED QUESTIONS

Customization to what extent?

We offer complete custom design solutions for your wedding invitations and other requirements, with your own style, colours, wording and choice of imagery and fonts.

What involvement do we have?

Your involvement can be as extensive or as brief as you wish it to be. After providing basic information initially to get us started, we design and create a “prototype” together. We then discuss and plan the manufacture and assembly with the expectation that you and your families/friends will be very hands-on with the folding, adhering, etc.

How long will it take?

Once we make a start on your design, it takes just a few days generally to develop a “prototype”. You are then welcome to comment, critique and make changes to the wording and layout as required. It then generally takes 3-4 days to complete the printing and bulk cutting ready for you to score and assemble.

Do minimum numbers apply?

Whether you need 10 invites or 100s, we can assist at an affordable price. Please talk to us about your budget as we are happy to discuss the options with you.

Will our Envelopes match our invites?

We have a huge range of sizes, shapes and colours available to match your invitations, thank you cards, etc. You can customize your envelopes further with embossing a design or sealing them closed with your own wax seal in several colours. We have some unique and innovated envelope designs - and can manufacture others to meet your needs.

What about Maps, RSVP's, Menus, Wedding Favours...?

An advantage of designing your own wedding stationery is that we can assist put together a complete “matching” package to suit your needs. This not only ensures a professional look and finish but is cost effective.

We ensure that you get the best value out of your product and services through practiced efficiencies that reduce waste.
